Dear Henry:

This will serve to confirm that you were elected Chairman of the Council on Epidemiology at its Business Meeting on March 1 in San Diego.

Your two-year term begins following the AHA Annual Meeting in Anaheim in November 1971 and terminates at the close of the AHA Annual Meeting in 1973.

My sincere congratulations and I look forward to working with you.

I would hope that some time before you take office that we will have an opportunity to sit down with Joe, Fred and Roy and discuss the future of the Council and its relation to other components in the AHA.

Sincerely,

LPC: aw
