Dear Henry:

Thanks very much for your letter of July 15, 1966 and the enclosed reprint. Yes, you are correct, this is one of your old classmates of '48. I have been here in Des Moines since 1957 following my service with the U. S. Air Force. I had not realized that you were so close. I hope that if you ever get down this way you be sure to look me up and I will certainly do the same when I am in Minneapolis. As a rule I get up that way about once or possibly twice a year.

Very truly yours,

C. H. Denser, Jr., M. D.
