from Henry Blackburn

Gail,

I like the new graphics on the wall in the Stadium Gate 27 dining room. The mounted poster on eating bread (in French) was mine personally, and if you know where it's stored, I'd like to get it back and restore it and maybe hang it somewhere.

Thanks a lot.

*Also my "postcard" in the
reading lab has disappeared the
last few days - & I
could use it. Thanks*
