AND MEDICAL DIRECTOR

Henry W. Blackburn, Jr., M. D.  
Medical Director  
Mutual Service Life Insurance Company  
1919 University Avenue  
St. Paul, Minnesota 55104

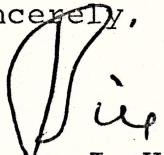

Dear Henry:

Last week the Medical Section of the American Life Convention voted unanimously to appoint you as Program Chairman for the 1972 meeting to be held at the Greenbrier West Virginia the last three days of May 1972. As you may recall, the usual progression is to Chairman of the Convention a few years later, which is my current appointment at this time and for the 1972 meeting.

There is a rather relaxed format for all of these meetings, as you are fully aware, and they will continue to be held in half day sessions for three days. The ALC has a policy of footing the bill for approximately four non-member guest speakers, and their wives, in lieu of any speaker fees. We will have time during the next few months to discuss any questions that may arise. Aside from the program itself I am looking forward to an interesting year and perhaps, if lucky, we can orient the Medical Section toward some interesting endeavors during the next few years. Our good friend Harry Ungerleider and I have discussed this at some length and realize some of the potentials.

Enjoyed visiting with Ernst Tanner of the Swiss Re last week. He stated that your presence in Geneva was known to him and we all hope the year is profitable. Will look forward to hearing from you and in the meantime have a pleasant Summer.

Sincerely,

Warren J. Hunzicker, M. D.
