Franz J. Ingelfinger, M.D.  
The New England Journal Of Medicine  
10 Shattuck Street  
Boston, Massachusetts 02115

Dear Dr. Ingelfinger:

I am really most unhappy to miss your good visit to the Twin Cities. I unfortunately have obligations in Europe next week and leave early in the morning on the 15th.

I hope there will be another time.

Cordially,

Henry Blackburn, M.D.
