Dear Henry:

It has been brought to my attention that you have lent your name to a health program at the University of Minnesota called, "Mr. Fit".

You have evidently overlooked the fact that this is going to get you in plenty of trouble with the women's lib people.

Mr. Fit, indeed!

I suggest you lose no time in starting a duplicate program to be called Miss Fit.

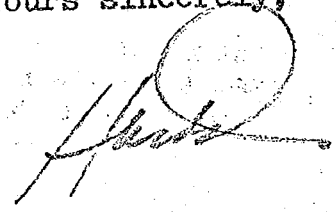

I'm sure the girls will just love it.

Any time you feel in need of further advice please do not hesitate to call upon me *and all*

My profound respects.

Yours sincerely,

Regards,

MS.
