Dear Henry:

Word seeping out of A.H.A. headquarters suggests you have a certain degree of availability. Would you care to visit UCLA to talk about possible opportunities?

If so, a yes or no note could possibly result in an airline ticket to L.A.. -- Drop me a quick note.

Yours,

Albert A. Kattus, M.D.
Chief, Division of Cardiology

Dear Henry:

Thanks so much for your good note from Corfu. Sort of hate to drag you away from there. Also received the C.V. which has many interesting things in it. I'll certainly be home in my shop on Tuesday, November 9, and would delight in a get together then. / ?

Also plan to do a bit of celebrating at my house on the evening of November 14 and would hope to have you come on over and help us turn out some barrelhouse. Piano and guitar already lined up.

Yours,

Albert A. Kattus, M.D.
