Dear Dr. Blackburn:

Thank you for your recent letter and for your \$6.00 payment. A credit will be reflected on a subsequent statement.

For your information, our records indicate that your Executive account is active and is in zero balance at this time. The overseas account bearing the 06 number was cancelled when you returned to this country on a permanent basis. There is now \$6.00 credit balance on that account which is being investigated by our Customer Service Department. They will contact you directly concerning this matter as soon as possible.

You can be sure that your standing will not be adversely effected as a result of the misunderstanding on your account, either within or outside American Express. Should you receive any other contradictory notices, please ignore them. They will stop shortly.

I trust that this explanation is satisfactory. But if I can be helpful to you in some other way in the future, please feel free to call on me. It is always a pleasure to be of service.

Very truly yours,

A. R. Mayer
