School of Public Health  
Stadium Gate 27  
East Bank

Dear Dr. Blackburn:

I appreciate receiving the copy of Medical Opinion and your editorial on "Prevention: A Challenge and a Promise." You have provided me with much food for thought.

I am hopeful that at some future time, after the legislative session ends, I will be able to visit your clinical facility in the Memorial Stadium.

I am taking the liberty of circulating the magazine to my central administrative staff.

Cordially,

*C. Peter Magrath*
