Henry Blackburn, M.D.  
Professor and Director  
Laboratory of Physiological Hygiene  
and Professor of Medicine  
University of Minnesota  
Stadium Gate 27  
Minneapolis, Minnesota 55455

Dear Henry:

Your new program in Preventive Cardiology sounds great. We here  
are a developing medical school and do not have any suitable young men  
to recommend at this time.

With best personal regards, I remain

Sincerely,

*George*

George R. Meneely, M.D.  
Professor and Head of the Department
