Hygiene School of Public Health
Stadium
Gate 27 Minneapolis
Minnesota 55455
USA.

Dear Prof. H. Blackburn,

Thank you very much for your critical epidemiological reviews. It is very interesting and useful for us.

I am looking forward to our mutual scientific contacts, especially in primary preventive epidemiological studies.

A Happy New Year
with best regards

V. Metelitsy

Yours sincerely
Dr. V. I. Metelitsa
