Dear Mr. Moran:

I anticipate spending the weekend of March 26-28 in Key West or nearby. Depending on the time of day, or your mood, I would be delighted to share with you eggs benedict, an omelet, or a souffle, having quite recovered my appetite for eggs.

If available, I should be delighted to have your phone number to reach you during the day on Saturday, the 26th of March.

Cordially,

Henry Blackburn, M.D.
