CONF. copy 1985 - Newman

CONFIDENTIAL

date June 2, 19 82

to Gretchen Newman and Dean Surbey

from Henry Blackburn

Please talk with Nedra and have a full accounting of Ancel's old cholesterol "slush fund" prepared again, by my return on June 9. Return to it all the monies we used for Lab. purposes after Ancel retired. I think Nedra returned all but \$3,000 used for Dr. Crow. Return that now from existing slush funds and "close the books." Only Ancel should have access to that budget, to do with as he likes.
