Dear Sally,

I have just gone through a pile of papers on my desk this weekend and found buried a little green telephone notice that had been completely overlooked over the past two months. I'm terribly sorry. I have a great affection for and some knowledge of the history of Preservation Hall, and played a small role in demonstrating the feasibility of travelling bands from Preservation Hall to other communities.

I'm sure your press release is long ago completed. However, if you should have any desire to chat about Preservation Hall, its music and musicians, I should be delighted to hear from you again.

Cordially,

Henry Blackburn, M.D.
Professor and Director
