Dear Bob:

Many thanks for the photo from Bratislava. I'm sorry you and I were too reserved to swing along with Dave at the Slobbovian Ball. Could've been something!

I had a fabulous but depressing visit to India after I saw you.

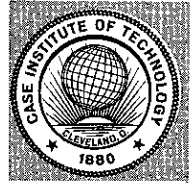

Much enjoyed meeting you both and hope it will happen again.

Regards,

Henry Blackburn, M. D.

Dear Henry:

I thought you might enjoy having a copy of this picture. Dave Fleming and I enjoyed meeting you in Czechoslovakia - hope the remainder of your travels went well.

Sincerely,

Bob
