Mrs. Donald Reid  
20 Ormond Crescent  
Hampton on Thames  
Middlesex  
England

Dear Mrs. Reid:

I am sure that you are aware how much Donald Reid meant to the community, in his solid scientific contributions, in his no-nonsense scientific criticism and in his personal concern and support for "his man in whatever," as many of us were honored to be. He will be remembered with respect and affection.

Sincerely,

Henry Blackburn, M.D.
