Dr. D. N. Rhodes
34 Athamit Lane
Paholyotin Road
Bangkok, Thailand

Dear Douglas and family:

I was 3 hours from you last week and very sad not to come home from New Delhi via the back door. However, a wretched experimental program demanded my return after a short week in India.

We are very disappointed not to have your December visit. Don't miss us next time.

Regards,

Henry Blackburn, M.D.
