*Did you find  
WHO manual?*

Henry W. Blackburn, Jr., M.D.  
Stadium Gate 27  
University of Minnesota  
Minneapolis, Minnesota 55455

Dear Henry:

Enclosed are your reprints which I brought back to xerox.

Thank you for allowing me to do this.

It was a real pleasure getting to know you during our time in the USSR. In addition to being stimulated by your grasp of the medical world, your music provided a real bonus. Hope to see you again in the not too distant future. Thanks again.

With kindest regards,

*Bill*

William C. Roberts, M.D.  
Chief, Section of Pathology
