Mr. Thomas Root  
Assistant Director  
University Band  
14 NMA  
Campus

Dear Mr. Root:

Last year you were kind enough to loan us a bass horn (tuba) for a visiting professor from the University of Michigan, Dr. Richard Remington, for use in a musical evening for a national professional meeting on hypertension jointly hosted by this Laboratory and Mt. Sinai Hospital.

The meeting will recur again on Wednesday, July 24 and we wonder if we might count on the same courtesy, picking up the instrument in the afternoon of Wednesday, July 24 and returning it the following morning.

Cordially,

Henry Blackburn, M.D.  
Professor and Director  
(phone: 373-3586)

cc: R. Remington  
R. Berman
