Dear Geoff,

Thursday

I'm hoping you'll be available for a brief visit on this ~~Wednesday~~ *Thursday* afternoon, ~~10~~ April. Any chance at meeting at Donald's place? If not, I'll come to St. Mary's and pass up the London School this trip. I'll call you in the morning, arriving very late ~~with~~ *at* London Hilton.

At the moment I'm fretting with subpoenas and harrassment from the Egg Industry trying to discredit the Heart Association and its hangers' on. They have apparently elicited the help of Yudkin, Keen, Oliver and Tony Mitchell (?) from U.K. in their nefarious plans. See their enclosed nonsense.

Cordially,

Henry Blackburn, M.D.
