Dear Dr. Blackburn:

The Search Committee for the selection of a Chairman for the Department of Epidemiology-Biostatistics accepts with regret your decision not to be considered as a candidate for the position.

The Committee is presently seeking the names of other exceptionally qualified candidates and requests your help in identifying such persons. Our next meeting is scheduled for early December and we would appreciate receiving any recommendations you might have prior to that time.

Thank you for your interest and cooperation.

Sincerely yours,

R. E. Serfling
