Dear Igor:

Many thanks for your kind New Year's Card. Things go briskly here. I enjoyed a great visit with Akhmetely and Kipshidze in Mégevè last month and your presence there was missed.

Please give best regards to my friends at the Institute, especially Glasunov and Metelitza.

Cordially,

Mr. B. -
Are these
better? I hunted
real hard - and came up
with them.
Hope you feel
much better
