Dear Henry,

As a long-term fan of yours I have, of course, been familiar with the content (and application) of much of your work. But I was particularly delighted for the chance to meet and visit with you. The evening was both personally and professionally rewarding. I hope this note finds Mrs. Blackburn well on the way to recovery.

With best regards-

David H. Spodick, M.D.

Dear Dave: It was great to have your visit. Sorry I had to run Bill to the airport & missed seeing more of you. Let's keep in touch.

Regards,

HS.
