Dear Henry:

While I realize you are enjoying life in Moscow, I send this note to you which hopefully you will see sometime after your return, simply saying that I thought your letter of October 8, to Dr. Pinckney, was a "classic". I'm delighted that you wrote it.

I don't recall that I have ever seen his book "The Cholesterol Controversy" but I can imagine what it is. I had no idea that I also was listed as "his inspiration".

With kind regards,

Sincerely yours,

Fredrick J. Stare, M.D.
