University of California, San Diego  
La Jolla, California 92037

Dear Joe:

I confirm November 9-11 with pleasure. Presumably will we see each other the following weeks also in Atlantic City and Dallas. I have the unhappy task of debating with A. Feinstein at the APHA, defending your ISCR on Atherosclerosis and will want some ammunition when I see you.

I will plan to bring Nelly in November. We have just had a splendid week in New Orleans for the Jazz and Heritage Festival, and Houston for the SER.

Enjoy Japan. Keep in touch. Will you be coming to Singapore?

Regards,

Henry Blackburn, M.D.

Dear Henry:

Just a note to confirm your visit to La Jolla next November.

More specifically, we will be looking for you on Thursday and Friday, November 9 and 10. I would suggest an evening lecture for medical students on Thursday, November 9, and a noon seminar for members of our department and others interested on Friday, November 10. However, we would plan a relaxed visit with plenty of time for informal discussions with our faculty and a chance to look around the La Jolla-San Diego area--including a trip to Baja California.

We can pay round trip economy air fare from Minneapolis to San Diego and return. We can also afford an honorarium of \$150.00 which you could apply toward Nellie's transportation if she wished to accompany you.

Since I am trying to get out of the office by May 29 for my summer sabbatical in Japan, I would appreciate a confirmatory note from you before that date indicating whether or not these arrangements are generally acceptable. I sent a letter along for Ancel's retirement notebook. Do give him my very best. I also hope that both you and Nellie are now fully recovered.

With warm regards,

Joseph Stokes III, M.D.  
Professor and Chairman
