Dear Henry:

Thanks for your confirmatory note of May 15. I will be traveling from San Diego to Atlantic City Friday afternoon, November 10, since I have all day Association of Teachers of Preventive Medicine meetings on Saturday and Sunday. I will be delighted to give you some ICHD ammunition to use in debating Feinstein at the APHA. However, I suggest that we not travel together since you and Nelly will want to stay on as long as possible in La Jolla.

Rita and I will certainly do our best to enjoy Japan. We will not be coming down to Singapore since our charter flight returns from Tokyo on September 1.

With best regards,

*Joe*
