Dear Henry: Fall correspond.

Thank you for your note and its attachments. I was particularly pleased to learn that the FTC had gotten an injunction. I know it's hard work but those battle must be effectively fought and won.

As for my poor old cervical cord it is now almost back to normal. My friendly family neurosurgeon estimates that I've

lost about 50% of my  
lower motor neurones  
C6-8 and I've got  
enough cortico-spinal  
tract residual on the  
left to keep my left  
great toe extending  
when my sole is tickled.

As for a life of  
quadriplegia my total  
preoccupation during  
that 1 hr. + 45 mins that  
I was "total-ed" was  
who I could conspire  
with to assist me  
in self destruction! Ugh!  
love to you + Nellie
