Wheelock Whitney  
President, Minnesota Council  
on Health  
1530 Dain Tower  
Minneapolis, Minnesota 55402

Dear Wheelock:

Congratulations on your brochure "Here's To Your Health." It's marvelous to see that public understanding of the simple, but powerful issues of life style and health in contrast often to professional rejection of its importance.

Cordially,

Henry Blackburn, M.D.  
Professor and Director  
Division of Health and Human Behavior
