CONSULTATION BY APPOINTMENT

11 October 1968

Dr. Henry Blackburn
Laboratory of Physiological Hygiene
School of Public Health
Stadium Gate 27
Minneapolis, Minnesota

Dear Henry:

The very nice present of yours,
which you told me about in Makarska,
has reached me and I want to thank
you very much for your generosity
and especially for your inscription.

Sometime tell me how the Makarska
course went and the re-examinations.

Kindest regards to you all.

Sincerely,

Your book

Paul D. White
