Dear Henry:

I saw your articles in the American Heart Journal. Congratulations on a fine bit of work. I wish to ask you also to send me four reprints of each article so that they may be included in our library bound volume of reprints and also that they may be sent to Central Office. Two reprints are requested for each publication from a VA hospital.

I saw Tom Tamlyn in New York in mid April. He was busy and seemed to be quite happy with what he was doing. I know that you are busy, but I wish that we would see you once in a while. I hope that you will find some time to come to an occasional conference out here.

Sincerely yours,

30

E. B. FLINK, M.D. Chief, Medical Service

An inquiry by or concerning an ex-service man or woman should, if possible, give veteran's name and file number, whether C, XC, K, N, or V. If such file number is unknown, service or serial number should be given.
