Cam Moses
165 E. 72nd St.
New York City, New York

Dear Cam:

Though I can understand you wouldn't waste a lot of time around Dallas or Atlantic City, it's really been sad not to see much of you lately. Could I look you up on trips to New York? Parts of the enclosed may amuse you. I very much like to hear what and how you are doing.

Cordially,

Henry Blackburn, M.D.
