Prof. Dr. I. Gyarfas  
Hungarian Institute of Cardiology  
Nagyvarad-ter 1  
Budapest IX  
HUNGARY

Dear Dr. Gyarfas:

By the enclosed you will see that our machines will read your IBM-type punch cards. It is emphasized that the cards should be firmly and carefully packed so that they are not bent or frayed in shipping.

Please send us your card coding and the information you desire when it is settled.

Regards,

Henry Blackburn, M. D.
