Dear Dr. Keys:

I was happy to be present on Monday, November 1 for my 30th Annual Ancel Keys Cholesterol test. I am grateful to God for the opportunity to have been an original member of this important research program, and I give credit to the Ancel Keys study for saving my life and permitting me to have this additional quarter century thus far with the possibility of hopefully continuing on to serve as a Senior Judge.

I want to congratulate you most sincerely for the great and deserved honor that you will be getting in securing the Dana Award in New York City on November 30.

Most sincerely yours,

Luther W. Youngdahl
