

July 20th 1995

Dear Henry,

Thank you very much for your kindness to
send me *On the Trail of Heart Attacks*
in seven countries!

It reminded me of my old memories which
Noboru and I had had with our friends.

According to see it, I also remembered
the places which we had been. Were they all
my dreams? I think of you very much.

Hoping to see you again,

Your love

Chika Kimura
