The Honorable Hubert H. Humphrey
United States Senate
Washington, D.C. 20510

Dear Senator Humphrey:

Recognizing the possible serious consequences of impeachment proceedings, I have nevertheless become convinced that they should proceed. The people should not longer condone the crimes of this administration, submit to the self-serving Nixon campaign for public support, continue to lose their liberties to this clever and subversive demagogue.

I support and encourage your efforts for impeachment proceedings.

Sincerely,

Henry Blackburn, M.D.
Professor and Director
