Dear Dr. Blackburn:

Lynne McCoy and I would like to thank you for meeting with us last Wednesday to talk about recent advertisements by the National Commission on Egg Nutrition. Thank you also for driving us to the airport and for taking care of the return of our rented car.

As we proceed with our investigation of the National Commission ads, we will continue to be in touch with you; we will be most grateful for any further assistance you can give us.

Again, thank you for Wednesday's meeting.

Sincerely,

John Cunningham
