Dear Dr. Blackburn:

Thank you for your communication urging the prompt impeachment of President Nixon.

I have for a long time urged his departure from the White House either by resignation or impeachment. The mountain of evidence produced by both Senate and House Committees and the Watergate Special Prosecutor is so damning of Mr. Nixon that for the good of our democracy he must be removed, quickly as possible.

I very much appreciate your letting me have the benefit of your views on this most serious matter.

With best wishes, I am

Sincerely yours,

  
Joseph E. Karth  
Member of Congress
