Dr. Henry Blackburn
Director
Laboratory of Physiological
Hygiene
School of Public Health
University of Minnesota
Stadium Gate 27
Minneapolis, Minnesota 55455

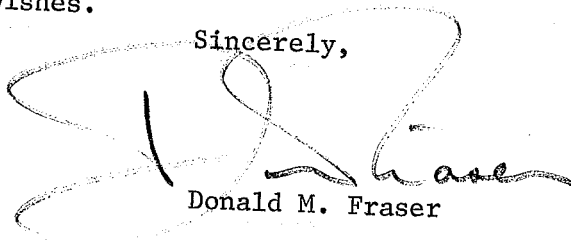

Dear Dr. Blackburn:

Thanks very much for apprising me of
the litigation against the National
Commission on Egg Nutrition and your
role as a witness for the Federal Trade
Commission.

I'll be interested in the outcome and
hope you'll keep me advised.

With best wishes.

Sincerely,

Donald M. Fraser
