Dear Dr. Blackburn,

Senator Mondale has asked me to thank you for writing and recommending that Dr. Theodore Cooper be considered for Assistant Secretary of Health.

As you know, many people are making themselves available or have been recommended to become a part of the new Administration. It is really helpful in evaluating these individuals to hear from others, such as you, about their qualifications.

Please be assured that your recommendation will receive careful consideration.

Thank you for your interest.

Sincerely,

Richard Moe
