RE: EPI-LPH Merger

S

How about these agenda items? Others? I would hope we four might meet at least every two weeks with Jack and Ron meeting at least once in the intervals.

SUGGESTED UPCOMING EPI-LPH TRANSITION AGENDAS

- Week of April 25 - 1982-83 admissions and advisors
- Week of May 1 - LPH qualified faculty appointments to Epidemiology
- Later sessions - Possible institutional training grant proposal
- Tenured slot recruitment
- Research project principal investigators post merger
- Interim 1982-83 teaching assignments
- 1983-84 teaching assignments
- Merged administrative organization
- Space evaluation
- Data processing evaluation
