CONSULTATION BY APPOINTMENT

June 14, 1971

Dr. and Mrs. Ancel Keys
3270 Lake Owasso Heights Road
St. Paul, Minn. 55112

Dear Ancel and Margaret:

Thank you very much for the birthday greetings. I too remember my 80th birthday at Minnelea and we would like some day to return briefly. I am toying with the thought of going in the middle of the week of September 19th to Corfu and hence to join you for two or three days if you could take us in at Minnelea. However this is very indefinite.

Sincerely yours,

PDW:fa
