Dear Paul:

We should be delighted to have you join us at Corfu in the middle of the week of September 19 and then to stay with us at Minnelea as long as you can.

Ernest and Edith Klepetar propose to arrive at Minnelea on September 27 to stay a week. We have lots of room--meaning two double and one single guest room, each with bath and outside entrance--so why not think of overlapping a bit with the Klepetars?

Let us know when you can and we'll arrange transportation. Minnelea is about 5-6 hours by automobile from Brindisi which is reached from Corfu by a pleasant 6-hour ferry trip.

Sincerely,

Ancel Keys
