Dear Dr. Keys:

Believe it or not, we have thanked each and every one of the persons who sent birthday greetings to Dr. White. It needed ingenuity and detective ability to decipher the strange signatures on the cables and to find all the addresses, and I am sorry to admit that in some cases we have failed. I append a list of the failures, in the hope that your long-suffering secretary may be willing and able to help:

- ? 1. Lecos (Haiti) - *Demetrios Sekos Athens*
- ✓ 2. ^oTarben Giell (Dr. White thinks it is Torben Geill and that they may be two persons) - Intern. Ass. of Gerontologists
o J. Pollak cable came from Hellrup.
- ✓ 3. *o J. Pollak* Pollacks (? Pollak) - cable came from Copenhagen
- ✓ 4. C.Y. ^oMællenbach - cable came from Copenhagen
- ? 5. Skovic (Belgrade)
- ✓ 6. G.C. McMillan - cable came from Athens (*Canada*)
- ✓ 7. C. Jimenez Diaz (Madrid) - I can't understand why I can't find his address since he is so well known
- ✓ 8. Magnus Gregersen (~~or Glegersen~~) - New York City - not listed in AMA directory
- ✓ 9. *Martti Karvonen* Neartti Kawitnen (no city given)

The photographs arrived yesterday and Dr. White and I had fun looking at them and reminiscing about those very pleasant days at Minnelea.

Many thanks for any help you can give, and particularly many thanks to your secretary.

Cordially,

Florence
