Dear Paul:

We are sorry you won't be with us at Minnelea and Ploppi. The local people of Ploppi were looking forward to your presence a little over three years after the birthday celebration.

I must be at Ploppi September 13, 14 to handle details for housing, conference rooms, and to cart people from the station at Valle to Ploppi. But I have phoned Jerry Stamler and he will be able to put in an appearance at Geneva on the 13th. He is anxious to be at Ploppi at the start but may be able to find a sleeper out of Geneva for the night of the 13th. He will phone you.

Many thanks for the promise of \$1,000 to help with the seminar expense. That grant will enable several good men to attend who otherwise could not possibly do so.

All good wishes to you and Ina.

Sincerely,

Ancel Keys, Director
