Professor R. Buzina
Department of Nutrition
Institute of Public Health of Croatia
Rockefellerova 7
Zabreg, Yugoslavia

Dear Professor Buzina:

Dr. White plans to take part in the first few days of the Makarska meeting. He will be coming there from the Athens congress and his travel plans are as follows:

Sat. Sept. 14	Leave Athens	22:05	YU 415
	Arr. Dubrovnik	22:40	
Wed. Sept 18	Leave Dubrovnik	11:00	YU 406
	Arr. Rome	13:20	
	Leave Rome	15:30	PAA 149
	Arr. Boston	19:45	

We understand that there will be a bus to take the travelers from Dubrovnik to Makarska on their arrival from Athens on September 14th. Can you help arrange for transportation for Dr. White from Makarska to Dubrovnik on the morning of September 18th so that he will arrive in time to take the 11 o'clock plane?

He will need a single room for the nights of September 14th, 15th, 16th, and 17th (four nights).

Many thanks for your kindness in helping arrange Dr. White's participation in the meeting.

Sincerely yours,

Florence Avitabile
Assistant to Dr. White
