Paul Dudley White, M.D.  
264 Beacon Street  
Boston, Massachusetts 02116

Dear Paul:

Thanks a lot for the most welcome contribution for the seminar at Ploppi. I enclose a copy of a letter to Jerry Stamler. Also enclosed is a copy of our itinerary for the month of September.

We are still hoping you will find it possible to go with Vittorie from Geneva to Ploppi.

Regards to you and Ina.

Sincerely,

Ancel Keys, Director
