Dr. Ancel Keys
University of Minnesota
School of Public Health
Stadium Gate 27
Minneapolis, Minnesota 55455

Dear Ancel:

Many thanks for your letter enclosing the additional greetings that came lately to Pioppi and I am thanking Engelberg and Lequime and Henry Taylor.

It was very nice to hear from you from your Italian villa but sorry that they are so slow in putting in the electricity and running water. When you are all set we'll come again someday.

Sincerely yours,

Paul
