Dear Ancel:

There is a National Council for
Youth with headquarters at Saint Paul,
(201 Endicott Building) - Mr. Kenneth Hunt
Bayliss, President, who has asked me to
join them, because of my public status,
to be a board member, even though I can't
do any work for them.

Would you be good enough to look up
this organization and let me know whether
you think I should accept? *Perhaps you*
know them already.
With best regards to you,

Sincerely yours,

Paul J. W.
