

22 April 1963

Dr. Paul D. White
264 Beacon Street
Boston, Massachusetts

Dear Paul:

Herewith is Kemp Maddox's endorsement of the application from the Research Committee and a photocopy of his accompanying letter.

What happens in regard to the secretarial job of your Foundation now that Bud Peters has been asked to leave A. H. A. ? (In case this news is still to be kept quiet, don't quote me!).

Best wishes,

As ever,

Ancel Keys
