

7 February 1963

Dr. Paul Dudley White  
264 Beacon Street  
Boston, Massachusetts

Dear Paul:

Re the National Council for Youth, Henry Taylor checked up and advises that it is probably wise for you to decline. Apparently it is not a truly disreputable organization but it is a one-man show supported by some money from one local family, and no one here can find any good that it has done or is likely to do.

Regards,

As ever,

Ancel Keys
